

## **How to submit**

We can receive only printed papers (two copies) which are submitted via classical, regular air-mail, but not e-mail. If you hurry to publish your papers, we recommend you to submit the papers to other journals of your fields in which online submission is available.

For Instructions for Submission to BIOMEDICAL RESEARCH is found in another browse in this site. For other information, please see papers published in the current issues.

**Page charges:** Authors will be assessed 3,000 Yen per printed page. Also, they will be assessed 20,000 Yen per printed color page.
